

**2021-2022 SCHOOL YEAR STUDENT
INTENT TO RETURN RE-ENROLLMENT FORM**

Dear Legacy Family,

In order to properly staff our school for next year, it is important to obtain an accurate enrollment count and identify which students **currently** attending Legacy will be returning next year. Your cooperation is greatly appreciated; therefore, we ask that you complete and return this form no later than, **JANUARY 20, 2021**. Our enrollment policy is to give first priority to current students and their siblings.

If we do not receive this completed and signed intent to return by JANUARY 20, 2021, we will assume that you have made other arrangements and will not hold a spot for your current student.

If you are interested in enrolling a new student to Legacy, please visit our enrollment page at legacytraditional.org to enroll for the 2021-2022 school year. Adding their name here, **will not** enroll them for the 21-22 school year.

Using **blue** or **black** ink only, please clearly list each of your **currently** enrolled students, the grade they will be entering for the 21-22 school year and indicate whether they will be returning for next school year. (*if you have more than 5 students **currently** enrolled, please feel free to add an additional form*).
